2011/12 Lunch Guidelines:
 Payments made for school lunches must be made in blocks of ten or more: \$25.00 (or \$4.00 if qualified for reduced lunches). The purchased lunches stay on the student's account until they have been eaten; they do not expire. CCS provides each student one complimentary lunch card. If a replacement card is needed during the year, the child's lunch account will be charged \$1.00. Please ensure that your child has money on account on any day that they wish to purchase a school meal. We do not notify you when your account is low. Milk is served each day with school lunches. If your student has brought a lunch from home, milk is available for purchase and the cost is \$.35. Even participants in the Free-Lunch program must pay \$.35 for milk when they bring a lunch from home. If your child does not have money in their account and has not brought a sack lunch, they will receive an "Emergency Meal" and their account will be charged. "Emergency meal" consisting of a peanut butter & jelly sandwich, fruit/veggies (if available) and milk. Hot lunches will not be served as "Emergency Meals". CCS does not automatically transfer money between siblings to cover a negative lunch balance. You August request transfers between siblings on an as needed basis by calling the office and requesting a transfer via phone. Please see the 2011-2012 Parent & Student Handbook for more information about the meal process and payments.
